2022 saw an increase in football participants in South Australia. This participation rate reflects the popularity football boasts worldwide. Last year the country got behind the CommBank Matildas and Subway Socceroos as they compete in the FIFA World Cup and Women's World Cup. Adelaide is fortunate enough to host games for the 2023 FIFA Women's World Cup which will be a fantastic spectacle not only for our sport but for South Australia.

Locally, the 2022 season came with many memorable moments which will live with players and their respective clubs for the years to come. Adelaide City had a successful year, being crowned the South Australian National Premier League Premiers and Champions. We also witnessed West Adelaide come out on top and taking out the South Australian Women's National Premier League Championship and Premiership for 2022. Both Teams were also the best on ground winning their respective Cup competitions making both teams treble winners for 2023.

Adelaide City were the Federation Cup Winners at a state level and joined Modbury Jets in the Australia Cup Final Rounds. Congratulations to both clubs on reaching the Round of 16 respectively.

We are not limited in our ambition to grow the game in South Australia. We have passion which is intensely focused on the success of our sport. Football South Australia embodies the passion, inspiration and liberating joy that comes from participating in the world game of Football.

Infrastructure continues to be a major focus of Football South Australia. Several projects have been completed this past year continuing the implementation of Football South Australia's infrastructure plan. Our partnerships with the South Australian State Government, local governments and clubs have proven to be very successful in supporting the continued growth and strength of Football. The State Centre for Football was completed and opened in 2022 and has become the home of football from grass roots and community to the elite game.

The success of our sport and the opportunities it provides would not be possible without the contribution of our growing list of corporate partners, our clubs and associations, our match officials, our committees and boards, and the dedicated volunteers who support the game in South Australia.

We would also like to acknowledge the contributions of all the Board members together with the hard-working staff at Football South Australia who are to be congratulated for delivering progressive and positive outcomes for our sport.

On behalf of Football South Australia, we wish all clubs and associations a productive and successful 2023 Season.

FOOTBALL AUSTRALIA

- HALL OF FAME -

SOUTH AUSTRALIAN RECIPIENTS

The inaugural induction of the National Football Hall of Fame was in 1999 and consisted of three levels and six different categories for induction. It took into account the involvement of individuals in the game dating back to 1880. In 2009 the FFA changed the induction process to cater for only one level and two categories, Hall of Honour for non-players and Hall of Champions for players.

Up to and including year 2022 there are Twenty Five South Australians who have been honoured at the highest level with induction into Football's National Hall of Fame.
